

Gold will be awarded to clients at the end of a one-year period if the following conditions are met:

- Monthly average balance should not be lower than the amount as per the table below.
- The account's daily average balance must not be lower than the minimum balance for the last three months before winners extraction.
- The account's balance must meet the minimum required balance, when the winners are extracted, as per the table below.
- The client will be rewarded based on the account's lowest balance if the balance varied during the 12 months.
- First announcement and list of guaranteed winners will be extracted on 1.8.2022 until end of year 2022 on monthly basis in batches.
- Tax will be deducted from client's account based on the prize value.
- Campaign began on 1.7.2021 and the last to receive gold is on 31.12.2022
- Clients with specific flags are excluded.

***Minimum Requirements for Guaranteed Gold:**

The average balance required to be eligible for the gold reward as per the mentioned terms
